About Us

ninaveli®

Your Trusted Partner in Korean Aesthetic Excellence

Based in the heart of South Korea—the global epicenter of aesthetic innovation—we are a premier manufacturer and brand owner dedicated to the advancement of regenerative aesthetics. Our commitment to excellence is reflected in our rigorous quality standards, with a comprehensive portfolio products. By being locally based in South Korea we maintain strong quality control over our manufacturing and brand development, we aim to ensure that every product we offer meets the highest benchmarks for safety, purity, and clinical efficacy.

Our success is driven by an experienced management team with a deep understanding of the global aesthetic market. We don't just supply products; we curate the most advanced, high-performance solutions to ensure our partners stay ahead of industry trends. This expertise allows us to bridge the gap between cutting-edge Korean laboratory research and the practical needs of international practitioners, delivering gold-standard products that produce consistent, world-class results.

Beyond the products, we pride ourselves on being a foundational partner for your business growth. We provide robust distributor support and a sophisticated, fast-response logistics network to ensure your inventory is seamless and reliable. When you partner with us, you gain more than just premium Korean aesthetics; you gain a dedicated team committed to providing the technical resources, regulatory compliance, and streamlined supply chain necessary to thrive in a competitive global landscape.
